## **How your organisation can become a supporter**

International Men's Day in the UK on **Tuesday 19 November 2013** is a fantastic opportunity for you to:

- Have some serious fun
- Highlight some serious issues
- Celebrate Britain's men and boys in all their hairy diversity

The 2013 annual theme is **Keeping Men and Boys Safe** and the five challenges are:

- Tackling male suicide
- Keeping men and boys safe to allow them to become tomorrow's role models
- End tolerance of violence towards men and boys
- Boost men's life expectancy by keeping men and boys safe from avoidable illness
- Keeping men and boys safe by promoting fathers and male role models

### **To become a supporter:**

Organisations in the private, public and third sectors are supporting International Men's Day in the UK, over 60 did in 2012.

- We would like to hear about your event or celebration and we will list them on events page on our website ([www.ukmensday.org.uk](http://www.ukmensday.org.uk)).
- If you want your organisation to be a supporter (even if you are not running an event), please let us know and you will be able to use the supporters logo listed on our Supporters page. Just by being a supporter, you will be highlighting the importance of the day itself.

We look forward to hearing you plans and events for marking International Men's Day later this year. And remember, if you are not marking the day with an event, you can still highlight the day by becoming a supporter.

Best wishes

**Glen Poole, Mark Brooks and Tony Stott**
